

Professional Bio: Christian Saint Cyr

Publisher | **Ontario Labour Market Report**
National Director | **Canadian Job Development Network**

Over 25-years, Christian Saint Cyr has established himself as a leading labour market expert. As publisher of the **Ontario Labour Market Report** and **National Director** of the **Canadian Job Development Network**, Christian advises thousands of career practitioners throughout Ontario and across the country and regularly works with representatives of business, education and government. He's delivered workshops for more than 10,000 individuals on topics which include labour market information, employment standards, unconventional job search, yearly overviews of the labour market and workshops which have looked specifically at trends in the construction, technology, tourism and health care sectors.

In the past, Christian has been asked to present for **Cannexus**; **Experiential & Work-Integrated Learning Ontario (EWO)**; **Future Work**; and **CDP Ontario**.

As an established employment and labour market expert, Christian is often called upon to provide commentary on television, in print and on radio. He's participated in over 500 media interviews including regular segments examining the labour market for **CBC Radio**; national broadcasts for **CORUS Radio**; and broadcasts for **AM640 Toronto**, **900 CHML Hamilton**, and **980 CFPL London**.
