### Navigating Jobs, Industries and Skills Development During a 'Time of Uncertainty'

#### WORKSHOP OVERVIEW

Throughout 2025, Ontario and Canada have taken strategic steps to respond to tariff tensions with the United States. At this year's **Ontario Labour Market Year-in-Review Workshop, Dec. 5th or Dec. 8th**, we will look at the current state of Ontario's labour market, significant new research, changes from the last year and what we can expect in 2026.

#### Topics will include:

- Ontario's strongest vs. most challenged sectors
- Occupations with the strongest outlook
- Review of Ontario Election promises and mandate
- Ontario and Canada's steps to respond to US tariffs
- Ways we can capitalize on greater inter-Canadian trade
- Labour market and occupational impact of massive Canadian Forces spending
- Closer look at jobs in health care, construction, transportation, manufacturing and technology
- Employers' response to the economy
- Opportunities for skills development in 2026
