

Understanding Ontario's Labour Market

1

Employers

We are in the midst of a multi-generational skills shortage. Employers who recognize supply-and-demand has shifted in see their employees as **'partners'** will be most successful.

2

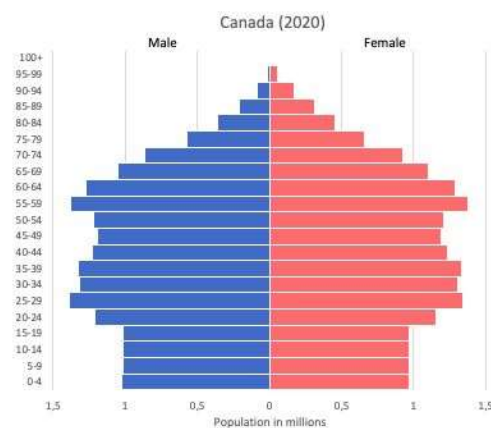

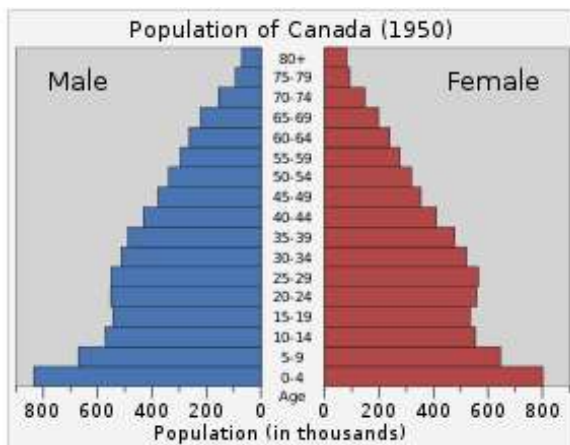

LMC23 Job Seekers

Due to the ongoing skills shortage, the chances for getting hired and advancing with employers is better than ever before. And yet employers are less open to taking risks. Job seekers who demonstrate **'commitment'** will be most successful.
